STUDENT'S RIGHT TO CANCEL

Students may cancel their Enrollment Agreement without any penalty or obligation and obtain a refund of any charges paid if they cancel in writing through attendance at the first class session or by the midnight on the seventh day after enrollment ("Cancellation Period"), whichever is later. If students cancel their enrollment agreements, any payments they made, and any negotiable instruments signed by them, shall be returned to them (less the enrollment fee if cancellation occurs after the Cancellation Period) within 45 days after the Institution receives their notice of cancellation. However, if the Institution gave students any equipment, they must return the equipment within 10 days following the date of the cancellation notice.

If students do not return the equipment within this 10-day period, the Institution may keep a portion of the payment they made that is equal to the cost of the equipment, and refund the remainder. This refund shall be made within 45 days after the Institution receives their notice of cancellation.

To cancel the Enrollment Agreement, students must mail or deliver a signed and dated written statement that they wish to cancel the Enrollment Agreement to the Institution's chief academic officer through attendance at the first class session or by the midnight on the seventh day after enrollment, whichever is later. **REMEMBER, ALL STUDENTS MUST CANCEL IN WRITING.**

Students do not have the right to cancel by telephoning the Institution or by not coming to class. At the end of the cancellation period, students have the right to withdraw from school at any time. Students who have completed less than 60% of the program have the right to receive a pro-rata refund.
